\*The amounts shown for 2022 represent the estimated per-share income and capital gain distributions as of November 18, 2022. The per-share information is based on net assets and shares outstanding as of November 17, 2022. The estimated income distributions do not include projected income through December 2022. Any income earned by the Fund's wholly-owned foreign subsidiary is reflected in the estimated net income distribution. Estimated distributions can change prior to the record date depending on current market conditions and the number of fund shares outstanding. The re-investment price per-share will be made public when they are finalized.

Please consult your tax advisor for information related to your specific situation. Fund distributions will vary depending upon market conditions and number of shares outstanding. All dates and distributions are subject to board approval. Past distributions are no guarantee of future distributions or performance results.

This information is not intended to cover the complexities of a shareholder's individual tax situation. Because tax laws vary among states, you should consult your tax advisor about the specific rules in the state(s) in which you pay income taxes.

Record date is the date by which a shareholder must own fund shares to receive the distribution. Ex-date is the date on which a shareholder who purchases fund shares will not be eligible to receive the distribution. Payable date is the date on which a shareholder is paid the distribution.
